Pro-life: Morality or Politics?

So many religious leaders believe the topic of abortion should remain off-limits, because they see it as a “political battle” and, therefore, inappropriate for Catholics to publicly voice their desire to end the atrocity of abortion. This is false. Killing innocent children is, very much, a moral issue, and one we, as Catholics, must be first in line to do all we can, in the political realm or not, to advance the cause of transforming our nation into a culture of life.

“Christ needs you to enlighten the world and to show it the 'path to life' (Psalm 16:11). The challenge is to make the Church's 'yes' to Life concrete and effective. The struggle will be long, and it needs each one of you. Place your intelligence, your talents, your enthusiasm, your compassion and your fortitude at the service of life!”
- St. John Paul II
